Présentation

 Code RNCP : 35915

Are you looking for an international career? Are you attracted by supporting companies to develop their international business? Do you feel inspired by working with people from different cultures? Then the Master in International Management is just for you!

The Master in International Management is a **full-time degree** over two years, **entirely taught in English** and designed for **International and French university graduates**.

The Master offers high quality teaching from internationally renowned professors, a truly multicultural work environment with students coming from all over the world, and close relationships with the business world thanks to strong partnerships built over ten years.

Since the beginning of the Master, students from 35 nationalities have graduated and constitute a vivid network of more than 300 alumni.
