Présentation

 Code RNCP : 35915

The Master International Management - Double degree in European Context - IMEC is a full-time double degree over two years, entirely taught in English and designed for International and French university graduates. After validation, students obtain a double degree from TSM and  KU Leuven in Belgium.

The Master offers high quality teaching from professors in two internationally renowned institutions, a truly multicultural work environment with students coming from all over the world, and close relationships with the business world.

Objectifs

By the end of the Master International Management - Double degree in European Context - IMEC, students will be able to:

- * Discuss international business situations and issues, with a particular focus on the European economy;
- * Apply theoretical and conceptual elements to the analysis of international business situations, and especially business situations with and within European companies;
- * Use of methodological tools and frameworks in business analysis and development;

- * Design relevant recommendations on international business situations based on methodological tools and frameworks;
- * Comprehend different ways in which international business affects society and environment;
- * Communicate clearly and efficiently both in written and oral modes;
- * Operate in a multicultural environment (negotiate, manage, lead)

In their first year, students follow courses in Toulouse and do a 3 to 6-month internship in France or abroad.

In their second year, students follow courses at KU Leuven in Brussels, Belgium, and do a 6-month internship in Europe or abroad.

Admission

Conditions d'admission

The Master International Management - Double degree in European Context - IMEC is open to students having completed the first year of the Master in International Management (MIM).

Application to the double degree is made simultaneously with the application to the first year of the Master, via the supplementary form.

Prerequisites applicable to all candidates for the first year of Master (M1):

- # Successful completion of 180 ECTS
- # An English language test for non-English speakers (C1 required)
- # Examination of candidate's application and possible interview
