## Présentation

**The Master 2 International Management - double degree in Asian Context - IMAC is a full-time double degree over two years, entirely taught in English and designed for International and French university graduates. After validation, students obtain a double degree from TSM and the College of Management of Mahidol University (CMMU) in Bangkok, Thailand.**

The Master offers high quality teaching from professors in two internationally renowned institutions, a truly multicultural work environment with students coming from all over the world, and close relationships with the business world.

## Objectifs

**By the end of the Master 2 International Management - double degree in Asian Context - IMAC, students will be able to:**

- \* Discuss international business situations and issues, with a particular focus on the Asian economy;
- \* Apply theoretical and conceptual elements to the analysis of international business situations, and especially business situations with and within Asian companies;
- \* Use of methodological tools and frameworks in business analysis and development;
- \* Design relevant recommendations on international business situations based on methodological tools and frameworks;
- \* Comprehend different ways in which international business affects society and environment;
- \* Communicate clearly and efficiently both in written and oral modes;
- \* Operate in a multicultural environment (negotiate, manage, lead)

In their first year, students follow courses in Toulouse and do a 3 to 6-month internship in France or abroad.

In their second year, students follow courses at CMMU in Bangkok, Thailand, and do a 6-month internship in Thailand or abroad.
